## Forecast: Showers

VINTAGE SHOWER? TRY AN OLD-FASHIONED TEA PARTY.

Wedding showers, baby showers—eventually you're going to get stuck planning one. Ideas to get you started:

### ■ FOCUS ON TASTY

Rachel Thebault runs parties out of her bakery, Tribeca Treats, in New York City. Three great shower themes: a chocolate tasting party, a tea party, and a baking lesson.

■ **BE SILLY** Find fun ideas at [vanityfairnapkins.com](http://vanityfairnapkins.com), such as a Game Night, where losers give winners prizes like an IOU for babysitting.

■ **GET CRAFTY** Host at a beading store or make-your-own pottery place.
